Servicemembers Civil Relief Act

President Bush has signed the “Servicemembers Civil Relief Act,” new legislation to help ease the economic and legal burdens on military personnel called to active duty status in Operation Iraqi Freedom.

Authored by Veterans’ Affairs Committee Chairman Chris Smith, the Servicemembers Civil Relief Act updates and strengthens current civil protections enacted during World War II.

In addition, the new law contains dozens of provisions to assist soldiers, sailors, airmen, and marines to help manage their financial and legal obligations while they are away from home in Iraq, Afghanistan and other locations around the world.

“Servicemembers called to active duty or deployed to new duty stations often find it difficult to meet their personal financial and legal obligations in a timely manner,” said Chairman Smith. “The Servicemembers Civil Relief Act will help these brave men and women, as well as their families back home, by strengthening and expanding the current civil relief statute,” he said.

“For example, servicemembers deploying to new duty stations will have the ability to terminate automobile leases without having to pay any early termination penalties,” Smith said. “Furthermore, it will prevent personal property (such as automobiles) from being repossessed without a specific court order in order to take into account their military duty status,” he said.

“In addition, it is often difficult for servicemembers to be physically present during civil court proceedings when then they have been called up to active duty or deployed to new duty stations,” Smith said. “To protect their rights, H.R. 100 will provide servicemembers with automatic 90-day stays in civil proceedings. Furthermore, if an additional stay is subsequently requested but denied, the court will be required to appoint a counsel to protect the servicemember’s rights while he remains on active duty,” he said.

“The new law will even allow the possibility of servicemembers reopening default judgments rendered against them when the failure to appear was caused by military service. And the civil protections under this law will now also be applied to administrative proceedings, such as licensing and zoning matters, which are much more common today,” said Smith.

“For Guard and reserve members called to active duty – especially for extended periods such as Operation Iraqi Freedom – the reduction in income can place significant economic pressure on them and their families,” Smith said. “The Servicemembers Civil Relief Act recognizes that these men and women need and deserve special relief to meet a number of financial obligations and liabilities, such as rent, mortgages, installment contracts and leases,” he said.

Now that it is enacted into law, H.R. 100 will also:

Expand current law that protects servicemembers and their families from eviction from housing while on active duty due to nonpayment of rents that are $1,200 per month or less. Under the new provisions this protection would be significantly updated to meet today’s higher cost of living – covering housing leases up to $2,400 per month – and then be adjusted annually to account for inflation.

Provide a servicemember who receives permanent change of station orders or who is deployed to a new location for 90 days or more the right to terminate a housing lease.

Clarify and restate existing law that limits to 6 percent interest on credit obligations, including credit card debt, for active duty servicemembers. HR 100 unambiguously states that no interest above 6 percent can accrue for credit obligations while on active duty, nor can that excess interest become due once the servicemember leaves active duty – instead that portion above 6 percent is permanently forgiven.
Furthermore, the monthly payment must be reduced by the amount of interest saved during the covered period.

Update life insurance protections provided to activated Guard and reserve members by increasing from $10,000 to $250,000 the maximum policy coverage that the federal government will protect from default for nonpayment while on active duty.

Prevent servicemembers from a form of double taxation that can occur when they have a spouse who works and is taxed in a state other than the state in which they maintain their permanent legal residence. HR 100 will prevent states from using the income earned by a servicemember in determining the spouse’s tax rate when they do not maintain their permanent legal residence in that state.

When under this Act [sections 501 to 596 of this Appendix] any application is required to be made to a court in which no proceeding has already been commenced with respect to the matter, such application may be made to any court which would otherwise have jurisdiction over the matter.

§ 513. Protection of persons secondarily liable [Sec. 103]
(a) Extension of protection when actions stayed, postponed, or suspended

Whenever pursuant to this Act [sections 501 to 596 of this Appendix] a court stays, postpones, or suspends (1) the enforcement of an obligation or liability, (2) the prosecution of a suit or proceeding, (3) the entry or enforcement of an order, writ, judgment, or decree, or (4) the performance of any other act, the court may likewise grant such a stay, postponement, or suspension to a surety, guarantor, endorser, accommodation maker, comaker, or other person who is or may be primarily or secondarily subject to the obligation or liability the performance or enforcement of which is stayed, postponed, or suspended.

(c) Bail bond not to be enforced during period of military service

A court may not enforce a bail bond during the period of military service of the principal on the bond when military service prevents the surety from obtaining the attendance of the principal. The court may discharge the surety and exonerate the bail, in accordance with principles of equity and justice, during or after the period of military service of the principal.

(d) Waiver of rights

(1) Waivers not precluded

This Act [sections 501 to 596 of this Appendix] does not prevent a waiver in writing by a surety, guarantor, endorser, accommodation maker, comaker, or other person (whether primarily or secondarily liable on an obligation or liability) of the protections provided under subsections (a) and (b). Any such waiver is effective only if it is executed as an instrument separate from the obligation or liability with respect to which it applies.

(2) Waiver invalidated upon entrance to military service

If a waiver under paragraph (1) is executed by an individual who after the execution of the waiver enters military service, or by a dependent of an individual who after the execution of the waiver enters military service, the waiver is not valid after the beginning of the period of such military service unless the waiver was executed by such individual or dependent during the period specified in section 106 [section 516 of this Appendix].

§ 514. Extension of protections to citizens serving with allied forces [Sec. 104]

A citizen of the United States who is serving with the forces of a nation with which the United States is allied in the prosecution of a war or military action is entitled to the relief and protections provided under this Act [sections 501 to 596 of this Appendix] if that service with the allied force is similar to military service as defined in this Act [sections 501 to 596 of this Appendix]. The relief and protections provided to such citizen shall terminate on the date of discharge or release from such service.

§ 515. Notification of benefits [Sec. 105]

(a) Reserves ordered to report for military service

A member of a reserve component who is ordered to report for military service is entitled to the rights and protections of this title and titles II and III [of this Appendix] during the period beginning on the date of the member's receipt of the order and ending on the date on which the member reports for military service (or, if the order is revoked before the member so reports, or the date on which the order is revoked).

(b) Persons ordered to report for induction

A person who has been ordered to report for induction under the Military Selective Service Act (50 U.S.C. App. 451 et seq.) is entitled to the rights and protections provided a servicemember under this title and titles II and III [of this Appendix] during the period beginning on the date of receipt of the order for induction and ending on the date on which the person reports for induction (or, if the order to report for induction is revoked before the date on which the person reports for induction, on the date on which the order is revoked).

§ 517. Waiver of rights pursuant to written agreement [Sec. 107]

(a) In general

A servicemember may waive any of the rights and protections provided by this Act [sections 501 to 596 of this Appendix]. In the case of a waiver that permits an action described in subsection (b), the waiver is effective only if made pursuant to a written agreement of the parties that is executed during or after the servicemember's period of military service. The written agreement shall specify the legal instrument to which the waiver applies and, if the servicemember is not a party to that instrument, the servicemember concerned.

(b) Actions requiring waivers in writing

(1) The modification, termination, or cancellation of--

(A) a contract, lease, or bailment; or

(2) The repossession, retention, foreclosure, sale, forfeiture, or taking possession of property that--

(A) is security for any obligation; or

(B) was purchased or received under a contract, lease, or bailment.

(c) Coverage of periods after orders received

For the purposes of this section—

(1) a person to whom section 106 [section 516 of this Appendix] applies shall be considered to be a servicemember; and

(2) the period with respect to such a person specified in subsection (a) or (b), as the case may be, of section 106 [section 516 of this Appendix] shall be considered to be a period of military service.
§ 518. Exercise of rights under Act not to affect certain future financial transactions [Sec. 108]

Application by a servicemember for, or receipt by a servicemember of, a stay, postponement, or suspension pursuant to this Act [sections 501 to 596 of this Appendix] in the payment of a tax, fine, penalty, insurance premium, or other civil obligation or liability of that servicemember shall not itself (without regard to other considerations) provide the basis for any of the following:

(1) A determination by a lender or other person that the servicemember is unable to pay the civil obligation or liability in accordance with its terms.

(2) With respect to a credit transaction between a creditor and the servicemember--

(A) a denial or revocation of credit by the creditor;

(B) a change by the creditor in the terms of an existing credit arrangement; or

(C) a refusal by the creditor to grant credit to the servicemember in substantially the amount or on substantially the terms requested.

(3) An adverse report relating to the creditworthiness of the servicemember by or to a person engaged in the practice of assembling or evaluating consumer credit information.

(4) A refusal by an insurer to insure the servicemember.

(5) An annotation in a servicemember's record by a creditor or a person engaged in the practice of assembling or evaluating consumer credit information, identifying the servicemember as a member of the National Guard or a reserve component.

(6) A change in the terms offered or conditions required for the issuance of insurance.

§ 519. Legal representatives [Sec. 109]

(a) Representative

A legal representative of a servicemember for purposes of this Act [sections 501 to 596 of this Appendix] is either of the following:

(2) An individual possessing a power of attorney.

(b) Application

Whenever the term "servicemember" is used in this Act [sections 501 to 596 of this Appendix], such term shall be treated as including a reference to a legal representative of the servicemember.

§ 520. Omitted

TITLE II – GENERAL RELIEF

Formerly cited as 50 U.S.C. App. § 520

§ 521. Protection of servicemembers against default judgments [Sec. 201]

(a) Applicability of section
This section applies to any civil action or proceeding in which the defendant does not make an appearance.

(b) Affidavit requirement

(1) Plaintiff to file affidavit

In any action or proceeding covered by this section, the court, before entering judgment for the plaintiff, shall require the plaintiff to file with the court an affidavit--

(A) stating whether or not the defendant is in military service and showing necessary facts to support the affidavit; or

(B) if the plaintiff is unable to determine whether or not the defendant is in military service, stating that the plaintiff is unable to determine whether or not the defendant is in military service.

(2) Appointment of attorney to represent defendant in military service

If in an action covered by this section it appears that the defendant is in military service, the court may not enter a judgment until after the court appoints an attorney to represent the defendant. If an attorney appointed under this section to represent a servicemember cannot locate the servicemember, actions by the attorney in the case shall not waive any defense of the servicemember or otherwise bind the servicemember.

(3) Defendant's military status not ascertained by affidavit

If based upon the affidavits filed in such an action, the court is unable to determine whether the defendant is in military service, the court, before entering judgment, may require the plaintiff to file a bond in an amount approved by the court. If the defendant is later found to be in military service, the bond shall be available to indemnify the defendant against any loss or damage the defendant may suffer by reason of any judgment for the plaintiff against the defendant, should the judgment be set aside in whole or in part. The bond shall remain in effect until expiration of the time for appeal and setting aside of a judgment under applicable Federal or State law or regulation or under any applicable ordinance of a political subdivision of a State. The court may issue such orders or enter such judgments as the court determines necessary to protect the rights of the defendant under this Act [sections 501 to 596 of this Appendix].

(4) Satisfaction of requirement for affidavit

The requirement for an affidavit under paragraph (1) may be satisfied by a statement, declaration, verification, or certificate, in writing, subscribed and certified or declared to be true under penalty of perjury.

(c) Penalty for making or using false affidavit

A person who makes or uses an affidavit permitted under subsection (b) (or a statement, declaration, verification, or certificate as authorized under subsection (b)(4)) knowing it to be false, shall be fined as provided in title 18, United States Code, or imprisoned for not more than one year, or both.

(d) Stay of proceedings

In an action covered by this section in which the defendant is in military service, the court shall grant a stay of proceedings for a minimum period of 90 days under this subsection upon application of counsel, or on the court's own motion, if the court determines that--
(1) there may be a defense to the action and a defense cannot be presented without the presence of the defendant; or

(2) after due diligence, counsel has been unable to contact the defendant or otherwise determine if a meritorious defense exists.

(e) Inapplicability of section 202 procedures

A stay of proceedings under subsection (d) shall not be controlled by procedures or requirements under section 202 [section 522 of this Appendix].

(f) Section 202 protection

If a servicemember who is a defendant in an action covered by this section receives actual notice of the action, the servicemember may request a stay of proceeding under section 202 [section 522 of this Appendix].

(g) Vacation or setting aside of default judgments

(1) Authority for court to vacate or set aside judgment

If a default judgment is entered in an action covered by this section against a servicemember during the servicemember's period of military service (or within 60 days after termination of or release from such military service), the court entering the judgment shall, upon application by or on behalf of the servicemember, reopen the judgment for the purpose of allowing the servicemember to defend the action if it appears that--

(A) the servicemember was materially affected by reason of that military service in making a defense to the action; and

(B) the servicemember has a meritorious or legal defense to the action or some part of it.

(2) Time for filing application

An application under this subsection must be filed not later than 90 days after the date of the termination of or release from military service.

(h) Protection of bona fide purchaser

If a court vacates, sets aside, or reverses a default judgment against a servicemember and the vacating, setting aside, or reversing is because of a provision of this Act [sections 501 to 596 of this Appendix], that action shall not impair a right or title acquired by a bona fide purchaser for value under the default judgment.

Formerly cited as 50 U.S.C. App. § 521

§ 522. Stay of proceedings when servicemember has notice [Sec. 202]

(a) Applicability of section

This section applies to any civil action or proceeding in which the defendant at the time of filing an application under this section--

(1) is in military service or is within 90 days after termination of or release from military service; and
(2) has received notice of the action or proceeding.

(b) Stay of proceedings

(1) Authority for stay

At any stage before final judgment in a civil action or proceeding in which a servicemember described in subsection (a) is a party, the court may on its own motion and shall, upon application by the servicemember, stay the action for a period of not less than 90 days, if the conditions in paragraph (2) are met.

(2) Conditions for stay

An application for a stay under paragraph (1) shall include the following:

(A) A letter or other communication setting forth facts stating the manner in which current military duty requirements materially affect the servicemember’s ability to appear and stating a date when the servicemember will be available to appear.

(B) A letter or other communication from the servicemember’s commanding officer stating that the servicemember’s current military duty prevents appearance and that military leave is not authorized for the servicemember at the time of the letter.

(c) Application not a waiver of defenses

An application for a stay under this section does not constitute an appearance for jurisdictional purposes and does not constitute a waiver of any substantive or procedural defense (including a defense relating to lack of personal jurisdiction).

(d) Additional stay

(1) Application

A servicemember who is granted a stay of a civil action or proceeding under subsection (b) may apply for an additional stay based on continuing material affect of military duty on the servicemember’s ability to appear. Such an application may be made by the servicemember at the time of the initial application under subsection (b) or when it appears that the servicemember is unavailable to prosecute or defend the action. The same information required under subsection (b)(2) shall be included in an application under this subsection.

(2) Appointment of counsel when additional stay refused

If the court refuses to grant an additional stay of proceedings under paragraph (1), the court shall appoint counsel to represent the servicemember in the action or proceeding.

(e) Coordination with section 201 [section 521 of this Appendix]

A servicemember who applies for a stay under this section and is unsuccessful may not seek the protections afforded by section 201 [section 521 of this Appendix].

(f) Inapplicability to section 301 [section 531 of this Appendix]

The protections of this section do not apply to section 301 [section 531 of this Appendix].

Formerly cited as 50 U.S.C. App. § 522
§ 523. Fines and penalties under contracts [Sec. 203]

(a) Prohibition of penalties

When an action for compliance with the terms of a contract is stayed pursuant to this Act [sections 501 to 596 of this Appendix], a penalty shall not accrue for failure to comply with the terms of the contract during the period of the stay.

(b) Reduction or waiver of fines or penalties

If a servicemember fails to perform an obligation arising under a contract and a penalty is incurred arising from that nonperformance, a court may reduce or waive the fine or penalty if--

(1) the servicemember was in military service at the time the fine or penalty was incurred; and

(2) the ability of the servicemember to perform the obligation was materially affected by such military service.

Formerly cited as 50 U.S.C. App. § 523

§ 524. Stay or vacation of execution of judgments, attachments, and garnishments [Sec. 204]

(a) Court action upon material affect determination

If a servicemember, in the opinion of the court, is materially affected by reason of military service in complying with a court judgment or order, the court may on its own motion and shall on application by the servicemember--

(1) stay the execution of any judgment or order entered against the servicemember; and

(2) vacate or stay an attachment or garnishment of property, money, or debts in the possession of the servicemember or a third party, whether before or after judgment.

(b) Applicability

This section applies to an action or proceeding commenced in a court against a servicemember before or during the period of the servicemember's military service or within 90 days after such service terminates.

Formerly cited as 50 U.S.C. App. § 524

§ 525. Duration and term of stays; codefendants not in service [Sec. 205]

(a) Period of stay

A stay of an action, proceeding, attachment, or execution made pursuant to the provisions of this Act [sections 501 to 596 of this Appendix] by a court may be ordered for the period of military service and 90 days thereafter, or for any part of that period. The court may set the terms and amounts for such installment payments as is considered reasonable by the court.

(b) Codefendants

If the servicemember is a codefendant with others who are not in military service and who are not entitled to the relief and protections provided under this Act [sections 501 to 596 of this Appendix], the plaintiff may proceed against those other defendants with the approval of the court.
(c) Inapplicability of section

This section does not apply to sections 202 and 701 [sections 522 and 591 of this Appendix].

Formerly cited as 50 U.S.C. App. § 525

§ 526. Statute of limitations [Sec. 206]

(a) Tolling of statutes of limitation during military service

The period of a servicemember’s military service may not be included in computing any period limited by law, regulation, or order for the bringing of any action or proceeding in a court, or in any board, bureau, commission, department, or other agency of a State (or political subdivision of a State) or the United States by or against the servicemember or the servicemember’s heirs, executors, administrators, or assigns.

(b) Redemption of real property

A period of military service may not be included in computing any period provided by law for the redemption of real property sold or forfeited to enforce an obligation, tax, or assessment.

(c) Inapplicability to internal revenue laws

This section does not apply to any period of limitation prescribed by or under the internal revenue laws of the United States.

Formerly cited as 50 U.S.C. App. § 526

§ 527. Maximum rate of interest on debts incurred before military service

[Sec. 207]

(a) Interest rate limitation

(1) Limitation to 6 percent

An obligation or liability bearing interest at a rate in excess of 6 percent per year that is incurred by a servicemember, or the servicemember and the servicemember’s spouse jointly, before the servicemember enters military service shall not bear interest at a rate in excess of 6 percent per year during the period of military service.

(2) Forgiveness of interest in excess of 6 percent

Interest at a rate in excess of 6 percent per year that would otherwise be incurred but for the prohibition in paragraph (1) is forgiven.

(3) Prevention of acceleration of principal

The amount of any periodic payment due from a servicemember under the terms of the instrument that created an obligation or liability covered by this section shall be reduced by the amount of the interest forgiven under paragraph (2) that is allocable to the period for which such payment is made.

(b) Implementation of limitation

(1) Written notice to creditor
In order for an obligation or liability of a servicemember to be subject to the interest rate limitation in subsection (a), the servicemember shall provide to the creditor written notice and a copy of the military orders calling the servicemember to military service and any orders further extending military service, not later than 180 days after the date of the servicemember's termination or release from military service.

(2) Limitation effective as of date of order to active duty

Upon receipt of written notice and a copy of orders calling a servicemember to military service, the creditor shall treat the debt in accordance with subsection (a), effective as of the date on which the servicemember is called to military service.

(c) Creditor protection

A court may grant a creditor relief from the limitations of this section if, in the opinion of the court, the ability of the servicemember to pay interest upon the obligation or liability at a rate in excess of 6 percent per year is not materially affected by reason of the servicemember's military service.

(d) Interest

As used in this section, the term "interest" includes service charges, renewal charges, fees, or any other charges (except bona fide insurance) with respect to an obligation or liability.

§ 530. Omitted

(A) evict a servicemember, or the dependents of a servicemember, during a period of military service of the servicemember, from premises--

(i) that are occupied or intended to be occupied primarily as a residence; and

    are paid for such coverage for such period.

(b) Suspension of coverage

(1) Suspension

Coverage of a servicemember referred to in subsection (a) by a professional liability insurance policy shall
be suspended by the insurance carrier in accordance with this subsection upon receipt of a written
request from the servicemember by the insurance carrier.

(2) Premiums for suspended contracts

A professional liability insurance carrier—
(A) may not require that premiums be paid by or on behalf of a servicemember for any professional liability insurance coverage suspended pursuant to paragraph (1); and

(B) shall refund any amount paid for coverage for the period of such suspension or, upon the election of such servicemember, apply such amount for the payment of any premium becoming due upon the reinstatement of such coverage.

(3) Nonliability of carrier during suspension

A professional liability insurance carrier shall not be liable with respect to any claim that is based on professional conduct (including any failure to take any action in a professional capacity) of a servicemember that occurs during a period of suspension of that servicemember's professional liability insurance under this subsection.

(4) Certain claims considered to arise before suspension

For the purposes of paragraph (3), a claim based upon the failure of a professional to make adequate provision for a patient, client, or other person to receive professional services or other assistance during the period of the professional's active duty service shall be considered to be based on an action or failure to take action before the beginning of the period of the suspension of professional liability insurance under this subsection, except in a case in which professional services were provided after the date of the beginning of such period.

(c) Reinstatement of coverage

(1) Reinstatement required

Professional liability insurance coverage suspended in the case of any servicemember pursuant to subsection (b) shall be reinstated by the insurance carrier on the date on which that servicemember transmits to the insurance carrier a written request for reinstatement.

(2) Time and premium for reinstatement

The request of a servicemember for reinstatement shall be effective only if the servicemember transmits the request to the insurance carrier within 30 days after the date on which the servicemember is released from active duty. The insurance carrier shall notify the servicemember of the due date for payment of the premium of such insurance. Such premium shall be paid by the servicemember within 30 days after receipt of that notice.

(3) Period of reinstated coverage

The period for which professional liability insurance coverage shall be reinstated for a servicemember under this subsection may not be less than the balance of the period for which coverage would have continued under the insurance policy if the coverage had not been suspended.

(d) Increase in premium

(1) Limitation on premium increases

An insurance carrier may not increase the amount of the premium charged for professional liability insurance coverage of any servicemember for the minimum period of the reinstatement of such coverage required under subsection (c)(3) to an amount greater than the amount chargeable for such coverage for such period before the suspension.

(2) Exception
Paragraph (1) does not prevent an increase in premium to the extent of any general increase in the premiums charged by that carrier for the same professional liability coverage for persons similarly covered by such insurance during the period of the suspension.

(e) Continuation of coverage of unaffected persons

This section does not—

(1) require a suspension of professional liability insurance protection for any person who is not a person referred to in subsection (a) and who is covered by the same professional liability insurance as a person referred to in such subsection; or

(2) relieve any person of the obligation to pay premiums for the coverage not required to be suspended.

(f) Stay of civil or administrative actions

(1) Stay of actions

A civil or administrative action for damages on the basis of the alleged professional negligence or other professional liability of a servicemember whose professional liability insurance coverage has been suspended under subsection (b) shall be stayed until the end of the period of the suspension if--

(B) the action is based on an act or omission that occurred before the date on which the suspension became effective; and

(C) the suspended professional liability insurance would, except for the suspension, on its face cover the alleged professional negligence or other professional liability negligence or other professional liability of the servicemember.

(2) Date of commencement of action

Whenever a civil or administrative action for damages is stayed under paragraph (1) in the case of any servicemember, the action shall have been deemed to have been filed on the date on which the professional liability insurance coverage of the servicemember is reinstated under subsection (c).

(g) Effect of suspension upon limitations period

In the case of a civil or administrative action for which a stay could have been granted under subsection (f) by reason of the suspension of professional liability insurance coverage of the defendant under this section, the period of the suspension of the coverage shall be excluded from the computation of any statutory period of limitation on the commencement of such action.

(h) Death during period of suspension

If a servicemember whose professional liability insurance coverage is suspended under subsection (b) dies during the period of the suspension--

(1) the requirement for the grant or continuance of a stay in any civil or administrative action against such servicemember under subsection (f)(1) shall terminate on the date of the death of such servicemember; and

(2) the carrier of the professional liability insurance so suspended shall be liable for any claim for damages for professional negligence or other professional liability of the deceased servicemember in the
same manner and to the same extent as such carrier would be liable if the servicemember had died while covered by such insurance but before the claim was filed.
